## MUNICIPALITY ON A SERVICE DELIVERY MISSION

Mthonjaneni has embarked on a massive mission to deliver services for all the community living within its boundaries. The mission has already seen the municipality turning the sod for a gravel road in ward 3 and this happened in October 2018 where His Worship the Mayor, SBK Biyela, who was accompanied by Councilors and Senior Management of the municipality.

Again, on 24 October 2018 the Mayor Biyela and his team conducted another sod turning to mark the beginning of the construction of Mfule access gravel road in ward 4 which is under Councillor PE Ntombela. The construction of the 1.8 km road shall commence in six months and it will cost the sum of R3190 280.67, this road will offer travelling relief to residents who struggle to travel during rainy days. In this road, the contractor that was awarded the tender will also build a bridge that will enable vehicles to cross the river with ease.

Still on the municipality's service delivery mission, on 07 of October the mayor and his team went to ward 5 under Cllr Z Sibiya where they turned the sod to mark the beginning of the construction of the 5.5 km Manzawayo Access gravel road and the building of this road will commence in 8 months from now while municipality, in order to complete this, it will part with the sum of R4 385 856.60. On the same day, the Mayor and his team visited ward 01 of Cllr MN Biyela where they turned the sod for 4.5 km Nungwini access gravel road. The construction of this road will cost the municipality a sum of R6 661 301.63 and shall commence in 8 months.

In his speech, the Mayor said some part of this road will have to be built with concrete since there are parts where installing gravel only won't work. He said besides these roads projects, the municipality has an ongoing program of maintaining and opening an access road to all homes in all its wards.

The contractors who have been awarded all the tenders to build these roads were introduced to the community and the mayor asked the community to cooperate with them during their period in their areas.

"Our beloved communities, we are here to introduce these contractors and I urge you to work with them. The community should be a security to protect the equipment and all other working equipment of the contractors. We know that criminals will try to interrupt the building process, so let's work together to keep an eye on them," the Mayor pleaded.

He also said there will be job opportunities that will come with the projects but warned that they will be seasonal. He also revealed that the request to build these roads came from the residents themselves during the municipality's roadshows.

"We have decided to start with the building of this roads because we know that these roads will be needed when we have to deliver services in your areas. The roads will also help our people to easily access health care services. The Mayor persuaded the community to be patient with their municipality. He said they wish to deliver on time but they are constrained by a shortage of funds since they have the budget solely for the old 6 wards even though the municipality now have grown into 13 wards.

# MESSAGE FROM THE MAYOR

Cllr. SBK Biyela - Mayor

On behalf of Mthonjaneni, I would like to wish all of our citizens a joyous festive season. Let us all unite with our families and celebrate a festive season that is filled with happiness and peace.

Mthonjaneni is made up of a diverse and progressive community that is able to show great strength and unity. I urge all our residents to be extra cautious not to over extend themselves financially, drink responsibly, stay alert, drive safely and most of all enjoy the festive spirit of giving. There are also many in our communities that are less fortunate than some and we can use this opportunity to show unity in giving to put a smile on someone's face.

The spirit of giving has become ingrained in the heart of our Municipality and throughout the festive season we will be embarking on various programmes which will give back to those in need of the holiday magic.

I wish you all happy holidays and a prosperous New Year.

## SAFETY TIPS THIS SEASON

**Do not use cell phone while driving!**

**Only overtake when it is absolutely safe to do so. When in doubt, don't overtake!**

**Do not assume others will drive safely, stay alert!**

**Remain focused and alert at all times!**

**Be courteous towards fellow road users.  
keep your temper and resist the  
temptation to retaliate.**

**Be alert to changing road and weather conditions.**

**Maintain a safe following distance.**

**Never drink and drive!**

# FREE DRIVERS LICENCES FOR YOUTH UNVEILED

Under the leadership of His Worship the Mayor Cllr SBK Biyela Mthonjaneni Municipality has embarked on a mission to support youth by helping them to get free driver licenses.

As a result, on 18 October 2018 at Melmoth Indoor Sport Center, His Worship the Mayor introduced that program both to those enlisted and their parents. The event was also graced by Inkosi PC Biyela of Obuka, Inkosi MV Biyela of Sanguye, Inkosi TS Zulu of Ntembeni, local Businessman

and the Church Leaders. All Mthonjaneni Municipality 13 wards benefited in this program and each ward has enlisted 6 youth members, with each traditional council under the municipality bringing 2 youth members each and the remaining two coming from the transport industry.

Speaking at the event, his Worship Mayor Biyela said with this program they are trying to help the youth to be employable. He added that said that this youth driver license program would be helpful to

many. He also said some of them are now employed and that there are many job opportunities if you have a driver's license. He said it was for that reason they decided to continue with the programme. Mayor Biyela also announced that the municipality is in the process of opening recording studio that will help locals to record their music. He urged those who doing grade 12 to contact their ward Cllrs after they got their final year results so that they can benefit from a municipality bursary program that will be launched soon

in order to help local youth to further their studies.

Mr Xolani Mathaba, a beneficiary of the programme thanked the municipality for granting him the opportunity to get a driver licence, adding that with the driver license he managed to get a job. He said his employer wanted to give him a company car to drive but was hindered by the fact that he was not licensed to drive. He then encouraged those who have been enlisted to use this opportunity well.

# NEW COMMUNITY HALLS FOR MUNICIPAL WARDS

Council has once again fulfilled its promise of building world-class and quality infrastructure for all wards in Mthonjaneni, more especially the struggling ones.

Leading his council and Municipal Management, His Worship the Mayor, Cllr Sbhonginkosi Biyela, Deputy Cllr PE Ntombela, Speaker Cllr NA Mbatha and other Cllrs, recently turned the sod for the construction of Ntombokazi community hall in ward 12. This ward falls under Cllr

BM Zwane. The building of the hall will avail will come as a great relief for the community of Ntombokazi as it is currently holding its meetings under trees. Due to the high quality and magnitude of the hall, the municipality will part with the sum of R2 284 602.65. The Mayor and his council colleagues further proceeded to ward 11 under Cllr DF Xulu to turn the sod to mark the construction of Gobihlahla Creche. The construction of the creche will cost the

municipality R2 201 392.70. The Mayor also visited ward 09 under Cllr TF Zincume where he turned the sod for Mpevu Community hall. Mpevu hall will cost the municipality a sum of R2 828 261.37. All these projects are under Obuka tribal council of Inkosi PC Biyela and Inkosi TS Zulu of Ntembeni Tribal council. His Worship the Mayor urged the community to cooperate with the contractors who have been appointed to work on these projects so that the work is finished and handed

over on time. The Mayor added that the community should report criminals who will steal the building material and those who will try to frustrate the appointed contractors.

All these multimillion projects are expected to commence before the start of the Christmas holidays.

# CO-OPS RECEIVE MUNICIPAL ASSISTANCE

Council fulfilled a pledge they made upon assuming office in 2016 to help co-operatives with equipment for their projects.

His Worship the Mayor Mayor, Cllr SBK Biyela, together with Deputy Mayor Cllr PE Ntombela, Speaker Cllr NA Mbatha held a roadshow to hand over the equipment to several Co-ops from all the wards of the municipality. The roadshow started in ward 1 where Siyethemba Co-Operative got sewing equipment. In ward 2 they handed over garden equipment and poultry farming inputs to Qhakaza Co-operative and to Shiyindlala Co-Operative. In ward 3 they also handed over poultry farming to Siyazama Mkhindini Co-operative. Mfule Essential Oil Co-operative from ward 4 got garden fencing equipment. In ward 5, they helped Sabiza Bloc Making Co-operative with block making equipment.

Nkunzempunga goat farming from ward 06 got goats rearing and other supporting equipment while Melmoth

Co-operative from ward 7 got poultry farming accessories. In ward 8 assistance was given to Green Waste Land Management which scored equipment that will help it with waste management and disposal. Mchachazweni Co-operative from ward 9 got fencing equipment for its vegetable garden equipment. In ward 10 the municipality supported Zama Zama Poultry project with the poultry farming equipment while Njomane Cooperative from ward 11 got sewing equipment. Buya Themba from ward 12 got poultry support assistance. Esiphethwini Co-operative from ward 13 got garden fencing assistance. While handing over the equipment, the Mayor emphasised that they will continue to support co-operatives under Mthonjaneni, saying for the 2018/19 financial year they have budgeted a sum of R1.8 million which will go to them.

# UPGRADE'S TO MELMOTH TOWN STREETS

The Municipality has embarked on a massive project to rehabilitate the streets of the town of Melmoth, the capital and the economic hub of the municipality. The council took the decision following an outcry from residents that the streets are in a bad state as they are full of potholes and blocked drains. The Mayor, SBK Biyela, said since they are driven by community's concerns, they had decided to listen to their grievances.

"We have decided to undertake this urgent maintenance because most of our streets had become an eyesore to people and some of our visitors had their cars damaged by potholes. While we have to undertake this project on an urgent basis, we have to understand that our infrastructure is old, hence all these problems

of potholes and blocked drains. We all know that our town is very old it was built by the apartheid government without thinking that black people will have many cars as well and need to use the same small streets that were made for a few," the Mayor said.

The streets to be upgraded are five and namely, they are Jacob Cohn, Raymond, Symmonds, Ortlepp and Osborne Street and the upgrade will cost municipality a whopping sum of R13.9 million. The contractor that got the job is Somkhanda Plant Hire CC and like in all major projects, there will be job opportunities for the unemployed and those who will get the jobs here will be the community of ward 3.

# NEW WARD 3 COUNCILLOR SWORN INTO COUNCIL

C Mthonjaneni Municipality ward 3 Cllr ZM Ndlovu has been sworn by Melmoth Magistrate Mr Fuze Ngongoma. Cllr Ndlovu replace the post opened after the death of that ward Cllr who passed away in July this year 2018. Magistrate when he did his sworn job he told Cllr Ndlovu that as he took the oth he sworn that he will be the good public servant. # JOY AS 25 NEEDY HOUSEHOLDS RECEIVE DONATIONS

A Municipal collaboration with Isilo construction, brought smiles and joy to 25 families of ward 9 (Mpevu) and 11 (Ntombokazi) when they donated food parcels. To add a cherry on top, each ward got a cheque of R10 000 from the construction company. The donation that was jointly handed over to the families by Mayor, Cllr Sbonginkosi Biyela and the construction company's executives was a corporate social responsibility after the latter was awarded a tender to build two new community halls in the two wards.

Speaking briefly during the handover of the food parcels and the cheques to the communities and happy families, Isilo Construction's representative, Sifiso Mbokazi, expressed his gratefulness that the municipality trusted them to build and deliver the community halls on time. He said with the R10 000

donations, the community will use it to buy whatever they need.

"On top of the support and cooperation we got from the municipality while building the two community halls, we would also like to thank the communities of ward 9 and 11 for the support they gave us while we were working in their areas. It is for that reason that we decided to come back with these food parcels and R10 000 cheques and give back to the community. The community is free to use the money to buy whatever they want," Mbokazi said.

During his remarks, an equally happy and grateful Mayor Biyela, thanked Isilo Construction for coming back to the communities to give back something, saying it was evident that the company worked well with

everybody while building the two community halls. "I would like to thank Isilo Construction for coming back to give back to these communities after working well with it for quite some time. This gesture of donating shows that the company has people who know the plight of poor communities as they are also from poor backgrounds. It is my wish that all our service providers can learn from Isilo Construction and give something to the needy community they work in. Equally, I wish and pray that our communities, as they have shown to Isilo Construction, will keep on extending the same tender care to all other companies that will in future come to work in their area," Biyela remarked.

projects, there will be job opportunities for the unemployed and those who will get the jobs here will be the community of ward 3.

# WOMEN'S SUMMIT MTHONJANENI CROWD

As part of celebrating women's month and empowering local women, Mthonjaneni local municipality concluded the month (August) by hosting women summit where several prominent guests from both the public and private sectors shared the stage to talk to women delegates who attended the conference. This was the municipality's second women summit to be held since the current political leadership Mayor Cllr SBK Biyela took over power in August 2016.

The well-attended summit was held at Melmoth Indoor Sports Centre and it drew delegates of women representative from all the 13 wards that make up Mthonjaneni local municipality. Leading the municipal delegation of councillors was Mayor SBK Biyela, while the municipal speaker, NA Mbatha, as a woman, attended and spoke to delegates as guest speaker. In her speech, the speaker urged women to unite on every issue that affects while at the same time keep their families intact

and with the love known to come from women.

"Without us as women, there will be no stable families and evident to that is the known fact that only homes with mother offer love and warmth. It is us, mothers who know how to give love to others and as a result, we keep homes warm and stable' Speaker Mbatha said.

In his words of support, Mayor Biyela,

encouraged women, especially those who are widowed to team up and start their cooperatives so that the municipality can easily lend them a helping hand in growing them. Other prominent women guests who attended and spoke at the summit came from FNB Bank in Melmoth, the Department of Social Development, Agriculture, Health and Melmoth Magistrate Court.

# MUNICIPALITY SUPPORT 2018 REED DANCE

Mthonjaneni’s upport for the prestigious, historic and annual Zulu reed dance ceremony continues even this years as it provided logistic support for over 600 maidens from four tribal authorities falling under its jurisdiction. The traditional ceremony that is always graced by the King of AmaZulu nation, Isilo Zwelithini takes place every on the first week of September every year. This year, this municipality under the leadership of His Worship the Mayor Cllr SBK Biyela, hired

8 buses to transport more than 600 maidens from four local tribal authorities of KwaSanguye, Ntembeni, Sangoyana and Thubalethu. Before their departure to Nongoma’s Enyokeni Royal Palace, the maidens gathered at Melmoth community Hall where Mayor Biyela addressed and bid them farewell. Biyela had some words of caution to the enthusiastic maidens, reminding them that, at the event, they were to be ambassadors of the municipality,

“It is my great pleasure to get this occasion to bid you farewell before you go the reed dance where you will our ambassadors before our king. Please don’t forget that while there, you will be representing us as Mthonjaneni Local Municipality, your parents and AmaKhosi you are subjects of. Therefore, at the ceremony please behave according and attentively listen to all what the King will tell you,” Mayor Biyela advised the maidens.

Prior to that, on Friday 07 September, the mayor and other councillors, visited kwaBhekokuhle Kraal, Obuka where maidens under Ubuka Tribal Authority had convened before their departure for the reed dance and he took the opportunity to also bid farewell them and gave some words of wisdom during his brief but wisdom loaded speech.

His Worship the Mayor, Traffic Officers and KZN department of Transport safety officers examined the bus that were hired to transport the maidens.

## 67 MINUTES FOR COUNCIL AND MANAGEMENT

In an effort to keep communities abreast with truthful information, the Mayor of Mthonjaneni, Cllr SBK Biyeka, together with the speaker, NA Mbatha, Councillors and the Municipal Manager, recently visited ward 3 to meet with the local community to set the record straight regarding municipal graders used to maintain rural and untarred roads. The visit to Njomelane, Mkhindini and Gconco areas was also to update the communities about matters of electricity supply and installations where needed by

community members. Addressing the community, the municipality’s most senior delegation used the opportunity to quash naked lies spread by the opposition that two municipal graders have been sold and as a result, the communities’ roads will no longer be serviced and kept in good state as required by service delivery obligations of the municipality. To counter the lies, Mayor Biyela told the community that in order to prove that the graders are still available, they will soon be sent to maintain and open new

small roads that lead to homesteads in the area. “In no time you will see that it’s a lie that the municipal graders have been sold as we will send them to open new access roads while maintaining old and established ones. As I am speaking to you right now, the first one has already started in Njomelwane while the other one will come to this side of Gconco and then proceed to Mkhindini to keep our roads in good state,” Biyela told the community.

# MAYORAL GAMES FOR MTHONJANENI SPORTS FANATICS

LOCAL sports fanatics had a field day 25 August 2018 when Mthonjanjeni municipality hosted Mayoral Cup where all major sporting codes were played and several local teams had a chance to compete and win prizes. The codes that were represented at that tournament comprises of Boys soccer, Lady Soccer, Boxing, Indigenous, and netball.

To spice the games, the municipality invited prominent soccer talents scouts to come and be part of the games in order to see players they can recruit. Among the scouts was prominent PSL Coach, Tebogo Moloi of Orlando Pirates and Chippa United fame. Moloi

later told KZN press that he was impressed with the talent and the professionalism of the games.

On the soccer side, Ndundulu Young stars was crowned 2018 champions and one of their players was selected by Moloi who sent him to try like in PSL team, Free State Stars. He also revealed that Jomo Cosmos and NFD Team had shown interest in him. During the games, spectators were entertained by the Ukhozi FM Team vs Mthonjaneni Municipality Councillors team. Ukhozi
